

WHAT YOU NEED TO KNOW ABOUT AI

FOR PARENTS

STAY SAFE

Remind your child to be careful with the personal information they share when using AI tools, including sensitive and private information.

DISCUSS PROPER AI USE

Use AI responsibly. AI-generated content is not always safe, accurate or free of bias.

APPROACH AI CRITICALLY

Learn about how AI works and its limitations. Compare AI-generated content with other sources.

LEARN WITH AI, NOT FROM AI

Use AI as a support tool for your learning, not a substitute. Stay engaged by asking questions to spark your thinking, but be sure to add in your own ideas and insights.

TEACH TRANSPARENCY

Credit AI tools and disclose their contribution. Include the prompting question.
