

## Module 5 – School Planning

Acknowledging that all topics from this module are important, we would like you to identify and discuss which topic you feel needs to be prioritized and further explored as a school community.

Pick one topic:

- Educational Equity
- Assessment and Reporting for All
- Equitable and Decolonized Assessment Processes
- Developing Proficiency Scales
- Ways to Support Students

|                                   |
